Home Insurance Scheme Policy arranged by Halligan Insurances

The Contract of Insurance

Welcome to **your** Home Insurance policy document. This document explains in detail **your** insurance protection. Please read this Policy document and the Schedule carefully, referring to the **endorsements** indicated by the entries in the Schedule.

It is a contract of insurance between **you** and the **insurer** and is made up of this Policy document, **your** Schedule and any **endorsements** noted as being included. In deciding to accept this contract of insurance and in setting the terms and premium, **We** and the **insurer** have relied on the information **you** have given **us**. **You** must take care when answering any questions, **we** or the **insurer** ask by ensuring that **you** answer these questions honestly and with reasonable care and that all information provided is accurate and complete. That information may have been given to **us** on a Statement of Facts Proposal Form or during a phone conversation. The information **you** gave to **us** was used to assess the cover **we** would provide for **you** and to set the premium and policy conditions **we** are able to offer for that cover.

The Statement of Facts Proposal Form has been completed by **us** from the answers **you** gave **us**. **You** must check this information carefully and let **us** know as soon as practically possible if any part of the information **you** gave **us** is wrong. **You** should read this Policy booklet and **your** Schedule together. Please check them carefully to make sure **we** give **you** the cover **you** want.

You must advise **us** as soon as practically possible if the use of **your premises** change, such as it becomes let out to tenants, becoming **unoccupied** or being used for any business purpose. **You** should also advise **us** as soon as practically possible if the nature of **your premises** changes in a way that might affect **our** attitude to the cover provided – for example during the building of an extension or re-roofing the property with non-standard materials; by non-standard **we** mean materials that are different from those stated on page 6 in the buildings definition. If **you** are in any doubt as to whether a change is relevant, please ask **us**.

The reinstatement value of **your buildings** shown in the Schedule will be adjusted at each renewal to reflect increased rebuilding costs. **You** should satisfy yourself that this value is adequate to cover the full rebuilding cost of the entire **buildings**, including the cost of professional fees and site clearance. If the sums insured are inadequate, it may affect the settlement of any claims **you** may submit under the Policy. **We** on behalf of the **insurer** may at any time, on the advice of a surveyor or loss adjustor, amend the sums insured so that they represent the true values at risk.

This Policy, which includes and shall be read as one document with the Schedule and any **endorsements** and Statement of Facts Proposal Form, evidences a contract of insurance between **you** and **us**.

Subject to the Policy terms, conditions, exclusions and **endorsements** the **insurer** will insure **you** against loss, damage or legal liability which may occur during the period for which **we** have accepted **your** premium.

If the **insurer** cancels **we** will refund the balance of the premium **you** paid for the current **period of insurance** as long as **you** have not made a claim during the current **period of insurance**.
